SILENCIO S600

MCS-S600-KN5N-S00/MCS-S600-KG5N-S00

SILENCE HAS A SEQUEL

FEATURES

Sound Dampening Material – Sound dampening material minimizes noise from the pre-installed fans, the power supply, all steel panels, the steel front door, and all storage mounting points for 2.5" and 3.5" drives.

Tempered Glass or Sound-Dampened Steel – The Silencio S600 is available in two versions. Seamless tempered glass to show the system build or sound-dampened steel for optimal noise reduction.

Removable Sound Dampening Cover – The top cover can be removed for increased ventilation or kept in place to reduce noise.

Reversible, Steel Front Door – The sound-dampened, steel front door features a reversible mounting system that is capable of opening in two directions.

SD Card Reader – The I/O Panel features an SD Card Reader for rich connectivity.

Headset Jack – The single 4 pole headset jack features both audio and microphone capabilities simultaneously so that separate jacks are not needed.

Silencio Fans – Two Silencio FP 120mm PWM fans are pre-installed with rubber padding to reduce noise. To connect additional fans, one 4pin 1-to-3 splitter is included.

Graphics Card Support Up To 398mm – Generous clearance space is provided to support the latest graphics cards.

Product Number	MCS-S600-KN5N-S00	MCS-S600-KG5N-S00
EAN code	4719512087398	4719512087404
UPC code	884102059841	884102059858
Net weight	8.43kg	8.6kg
Gross weight	9.72kg	9.9kg
Carton dimension (L x W x H)	550*290*552mm	550*290*552mm

Cont.	W/ Pallet	Carton/ Pallet	W/O Pallet
20'	280	28	336
40'	560	28	688
40 HQ	640	32	772

The Silencio S600

The Silencio is a silent case that makes no compromises in thermal performance. Sound dampening material surrounds the system build, rubber padding cushions all included fans, and a removable cover shields noise that escapes from the top panel. The Silencio S600 is available with either a tempered glass or a sound-dampened steel side panel.

For demanding systems, the top panel's Sound Dampening Cover can be removed for increased ventilation. Paired with the front panel's ventilation, directionally taking in air through the mesh, silence can be accomplished without sacrifice. The subtle ventilation takes in air from three sides of the sound-dampened front door, with the mesh filter aimed toward the bottom for an efficient intake of air.

SPECIFICATIONS & PACKING INFORMATION

Product Number		MCS-S600-KN5N-S00	MCS-S600-KG5N-S00
Product Name		Silencio S600 (w/ Steel Side Panel)	Silencio S600 (w/ TG Side Panel)
Exterior Color		Black	
Materials	Body	Steel, Plastic, Sound Dampening Material	
	Side Panel	Sound-Dampened Steel	Left: Tempered Glass Right: Sound-Dampened Steel
Dimensions (LxWxH)	Incl. Protrusions	478 x 209 x 470.5mm	
	Excl. Protrusions	466 x 209 x 460.5mm	
Volume (Liters excl. Protrusions)		44.8L	
Motherboard Support		Mini-ITX, Micro-ATX, ATX	
Expansion Slots		7	
Drive Bays	5.25"	1	
	3.5" HDD	4	
	2.5" SSD	5	
I/O Panel	USB Ports	USB 3.2 Gen1 x 2 (formerly USB 3.0)	
	Audio In / Out	1 x 3.5mm Headset Jack (Audio + Mic)	
	SD Card Reader	Supports SD & MMC cards	
Pre-installed Fan(s)	Front	120mm x 1 (PWM 800~1400 rpm)	
	Rear	120mm x 1 (PWM 800~1400 rpm)	
Fan Support	Front	120mm x 2 / 140mm x 2	
	Top	120mm x 2 / 140mm x 2	
	Rear	120mm x 1	
Radiator Support	Front	120 / 140 / 240 / 280mm	
	Top	120mm / 240mm (remove ODD) (35mm max motherboard component height)	
	Rear	120mm	
Clearances	CPU Cooler	167mm	166mm
	Power Supply	160mm	
	Graphics Card	398mm	
Cable Routing	Behind MB Tray	18~26mm	
Dust Filters		Top, Front, Bottom	
Power Supply Support		Bottom Mount, ATX PS2

SILENCIO S600

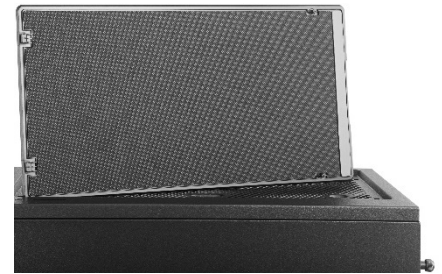

Sound Dampening Material

Sound dampening material minimizes noise from the pre-installed fans, the power supply, all steel panels, the steel front door, and all storage mounting points for 2.5" and 3.5" drives.

Tempered Glass or Sound-Dampened Steel

The Silencio S600 is available in two versions. Seamless tempered glass to show the system build or sound-dampened steel for optimal noise reduction.

Removable Sound Dampening Cover

The top cover can be removed for increased ventilation or kept in place to reduce noise.

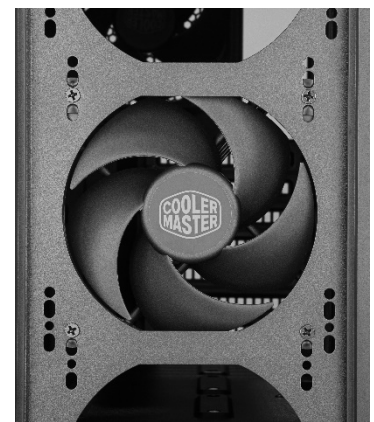

Reversible, Steel Front Door

The sound-dampened, steel front door features a reversible mounting system that is capable of opening in two directions.

SD Card Reader

The I/O Panel features an SD Card Reader for rich connectivity.

Silencio Fans

Two Silencio FP 120mm PWM fans are pre-installed with rubber padding to reduce noise. To connect additional fans, one 4pin 1-to-3 splitter is included.
